ADA Accommodations

Montgomery County Government is committed to complying with the Americans with Disabilities Act (ADA). As a result, children and teens with disabilities may register for the most appropriate programs for their age, needs, and skill level. There are two options: Therapeutic Recreation camps specifically designed for individuals with disabilities or inclusion in general recreation programs.

If your child needs auxiliary aids or services in order to participate (such as a companion, ASL or cued speech interpreter, or large print), please call a Therapeutic Recreation Specialist to discuss your child's needs (240-777-6870).

If your child has a Special Education placement at school, a volunteer companion to work one-on-one may enhance his or her experience at camp. Since placements are limited, registration and requests for companions must be made at least 3 weeks before the start of the program. Companions may not be available every session.

Fun & Imaginative

Your kids will love our camps. From trees, flowers and plants to bugs and birds and dinosaurs...from archaeology and animals to kayaking and hiking...or tennis, ice skating, skateboarding and golf...there's a Parks camp in this Guide that your child will remember fondly long after summer's over.

Dependable

Our counselors are well-trained, knowledgeable and caring; most are professional, full-time Montgomery Parks naturalists or recreation specialists. And our counselor-to-camper ratio averages 10:1!

Wholesome

Our camps are all about good, clean fun. We work hard every year to create camps that will fire up your children's imagination, teach them wondrous new things, and get them moving.

Good Value

Montgomery County parents demand for their dollar. We price camps fairly based on the time, materials and effort necessary to run first-rate programs. Fee assistance is available to qualified families for some camps, and multi-camp/multi-kid discounts are available for many of our sports camps. Call or check our website for details.

Easy

We want to make things for you parents. So you'll find our camps all over Montgomery County, from Wheaton and Bethesda to Germantown and Boyds. And we fine-tune our camps every year, based on your comments and suggestions. So this year we're offering more 5-day camps; more full-day camps; and camps running through the third full week of August, right before school starts.

New & Improved

Our camp webpage (www.MontgomeryParks.org/Camps) will feature the latest camp news, promotions and important information. It's a work in progress; but we hope it will soon provide an easy, enjoyable way to search all our camps and find the ones that are just right for you and your kids.

We'll examine everything from bird feathers to man-made fliers, have fun with physics and investigate the forces and forms of flight. We'll make helicopters and airplanes, launch rockets, try our hand at flight simulators and more. Take the leap and explore how things soar!

Boy Scout Merit Badges at Brookside Nature Center

Earn your Boy Scout Badges at Brookside Nature Center! Some badges require assignments you'll need to do before or after we meet. When that's the case, we'll sign off on the badge once the necessary requirements are documented by the Scout and reviewed by the Park Naturalist. *Please bring a bag lunch and dress for the weather.*

Forestry Merit Badge

Here are some of the exciting and interesting things we'll do together to help you earn your Forestry badge:

- Explore the woods and learn to identify common trees and plants.
- Find out how forests help humans, nature, and the economy.
- Learn how to help sustain forest health, different approaches to forest management, and how BNC manages its forests.
- Find out what to do if you discover a forest fire, and how professional firefighters put them out.
- Collect forest plant specimens and learn to describe characteristics and habitats, detect and determine causes of damage, etc.

You'll need to write two one-page reports before camp begins; print out your ParkPASS receipt or call us for more details.

Montgomery Parks Summer Camp Notes

- No camps will be held on July 4, so all 5-day camps during the week of July 4 will run four days (rates are adjusted accordingly).
- Please remember to print your ParkPASS confirmation receipt when you register online...it often contains additional information about camp locations, things to bring to camp, and more.
- Montgomery Parks encourages and supports the participation of individuals with disabilities. In order to make reasonable accommodations based on individuals' needs and abilities, please register at least two weeks in advance of the program start date, and request accommodation at that time.

**Dedicate
benches**

Honor, memorialize or thank a relative, friend, or colleague with the dedication of a bench in one of Montgomery County's beautiful parks. The Montgomery Parks Foundation will purchase and arrange for the installation of your new park, trail or garden bench, or you may choose to adopt an existing bench.

trees

Planting a new tree or adopting an existing tree in one of our parks is a perfect way to remember or honor loved ones, community members and friends. The Montgomery Parks Foundation will arrange for the installation of a new tree from October 1 through April 30, during the planting season, or you can adopt an existing tree anytime!

How to Register for a **Montgomery Parks SUMMER CAMP**

1 Set up your ParkPASS account

- Visit www.ParkPASS.org to set up your account online. Please note: It can take up to two business days to activate a new account (especially if you sign up on a Friday).
- If you need help, contact the ParkPASS Help Desk at 301-495-2580 (M-F, 10am-2pm), or email us at MCP-ParkPASSHelp@MontgomeryParks.org.
- Visit one of our ParkPASS facilities (see the Montgomery Parks Directory in this catalog), and they can help you set up a ParkPASS account on site.

2 Register for your camp/s

- **Online:** Register 24 hours a day, seven days a week at www.ParkPASS.org
- **In person:** Visit a ParkPASS facility (see the "Index by Location" in this catalog, and look for the facilities with "**PP**" next to their name).
- **By phone:** Use the ParkPASS automated phone registration system at 301-670-6858 (not available for all programs). Have your ParkPASS Login ID/Customer Number and Account PIN for each person you wish to register on hand.
- **By mail:** Fill out the registration form in the Guide and mail it with payment to the facility hosting the camp you'd like to attend. ***Important:** Submitting this form *does not* guarantee a space in the requested camp or program. Please call the ParkPASS Help Desk or the facility offering the camp to make sure there are openings in the camp you want *before* mailing in your form. Many camps fill up very quickly—so online registration is your best bet if you're concerned about getting into a particular camp.

3 Fill out and submit the necessary forms

- We'll need a **Day Camp Participant Profile** form for each camper. **NOW ONLINE!** A screen in ParkPASS will pop up in the middle of your registration process. Answer the questions, click "OK," and either "continue shopping" or "check out." Camp directors will be in touch about signing this form (they'll either mail it to you beforehand, or have it ready for you to sign the first day of camp).
- If you register for another camp online later, you *won't* need to answer these questions again—a screen with your previous answers will pop up, and you can update/correct, or just click "OK."
- If your child requires any medication to be administered during camp hours, we'll also need a **Day Camp Medication Form**. Because this form requires a doctor's signature, you'll need to print it out, fill it out, get it signed and return it to the facility hosting your camp. You'll find a .pdf of this form at www.ParkPASS.org. Again, the camp director will be in touch to let you know if they'd like you to mail the signed form in before camp starts, or just bring it with you the first day of camp.
- If your child does *not* need medication during camp, you'll be able to tell us this online when you register, and will *not* need to print out or fill out the Medication Form.

Montgomery Parks **SUMMER CAMP** Refund Policy

If Montgomery Parks has to cancel a Summer Camp, you will be notified and receive a full credit on your ParkPASS account, or at your request, a full refund (issued in the same form as received).

To withdraw from a Montgomery Parks Summer Camp, please submit a written request to the facility hosting your camp or program at least two (2) weeks prior to the start of the camp. Most facilities accept email as a "written request," but please check with the facility hosting your camp or program. You may choose to receive a 100% credit to your ParkPASS account for future programs or classes, or receive a refund (issued in the same form as received), less a 20% administrative fee.

If your written request is received less than two (2) weeks prior to the start of the camp, no credit or refund will be issued unless your spot can be filled from the waitlist. If your spot is filled, you may choose to receive a 100% credit to your ParkPASS account for future programs or classes, or receive a refund (issued in the same form as received), less a 20% administrative fee.

Please allow 3-4 weeks to receive a check refund. Credit card refunds can take 5-7 days to appear on your credit card account, depending on the policies of your bank/credit card company.
